MENU

We aim to serve high quality foods, mostly organic, that we source locally and that our customers enjoy. We are members of New Springs Horticultural Society and we aim to use ours and members' surplus produce, knowing that it isn't full of pesticides, that it is healthy, has been lovingly grown by the community.

Our milk is always organic.

When our fruit and vegetables run low, we aim to source from local organic suppliers, notably Greenslate Community Farm, Billinge.

Our organic award-winning Lancashire cheese is from Leagram Organic Dairy, Chipping.

Our bread is from All You Knead, a superb artisan bakery at Haigh Hall Courtyard.

Eggs are sometimes kindly provided by our pet chickens, which are spoilt with organic feed and vegetable peelings.

Coffee is provided by Roberts & Co, which is roasted at Cedar Farm, near Parbold.

Our jams and pickles are exceptional and hand-made by Reedy's, who source the majority of ingredients from Lancashire, don't use artificial ingredients or additives and cook in small batches.

Ice Cream is provided by Cheshire Farm and contains no hidden nasties. We also use their ice cream in our milkshakes.

We hope that you enjoy sitting and relaxing at The Allotment and are inspired to grow and eat more vegetables and eat locally sourced food of outstanding quality.
