MENU

Welcome to The Allotment, we are Bernie and Martin, a husband and wife team. We have a passion for growing and eating our own produce and believe that organic, pesticide free and home-grown veg is not only healthier, but tastes far better. We like to use our salads and vegetables here in the coffee shop. When our fruit and vegetables run low, we aim to source from local organic suppliers, notably Greenslate Community Farm, Billinge, who share our values.

Our organic award-winning Lancashire cheese is from Leagram Organic Dairy, Chipping and our milk is organic.

Jams and Chutneys are made in small batches by Reedy's, who source the majority of their natural ingredients from Lancashire. Reedy's won the English Food Produce of the Year Award 2017.

Our bread is from All You Knead, an artisan bakery at Haigh Hall Courtyard, who produce 'Real Bread'.

We only use organic or free-range eggs.

Coffee is provided by Roberts & Co, which is roasted at Cedar Farm, near Parbold.

Ice Cream is high quality and contains no hidden nasties and is made in Blackburn by Mrs Dowsons.

Food is served until 3.15 pm and Drinks and Cake until 3.45 pm
